

# Things to Remember

## WHAT TO DO WHEN YOU GET IN AN AUTO ACCIDENT:

1. Check yourself and passengers for injury.
2. Call 911. Report the accident, injuries, and request police.
3. Check for traffic before stepping out of your vehicle.
4. Exchange information with other drivers using the form.
5. Document the accident. Photograph damages, injuries, where vehicles stopped, skid marks and road conditions. Speak to any witnesses and get their contact information.
6. Provide police officers at the scene with an official statement.
7. Seek medical treatment. AccidentCarenow.com locations sees auto accident victims immediately. **If you are critically injured, paramedics should transport you directly to a hospital.**
8. If you have questions about your auto accident-related injuries, please call us at (504) 864-8080.
9. Accident CareNow hours are (Weekdays 9a-8:30p & Weekends 9a-5p), located at In & Out Urgent Care. 6225 S. Claiborne Ave. New Orleans, LA 70125
